

Announcing "KEYBOARD KAPERS" at Bay Head School 2009

This program is designed for students entering Grade 2 and beyond, who would like to learn how to play songs on the keyboard. We will be learning how to read notes on the written staves and make them come to life!

Classes will be held every Monday during the month of July between the hours of 9:00 & 11:00. Instruction will be limited to not more than 3 students for any session, allowing ample playing time on the keyboards. There will be simple assignments given for completion at home, as well as assigned songs for home practice.

If you are registering your child for the program, please complete the form below and return it to school by Monday, June 15th. You will be given an assigned lesson time for the dates you have chosen, before the school year ends.

Any further questions, please contact me at: fermata1@hotmail.com.

Let's tickle those keys!

Mrs. Irons
